

Travel Widgets Germany - An OpenNTF Project

Introduction

The release of this project can be downloaded from [OpenNTF](#).

The library contains various travel related widgets for people who need to travel in Germany.

[See here](#) for more details about widgets.

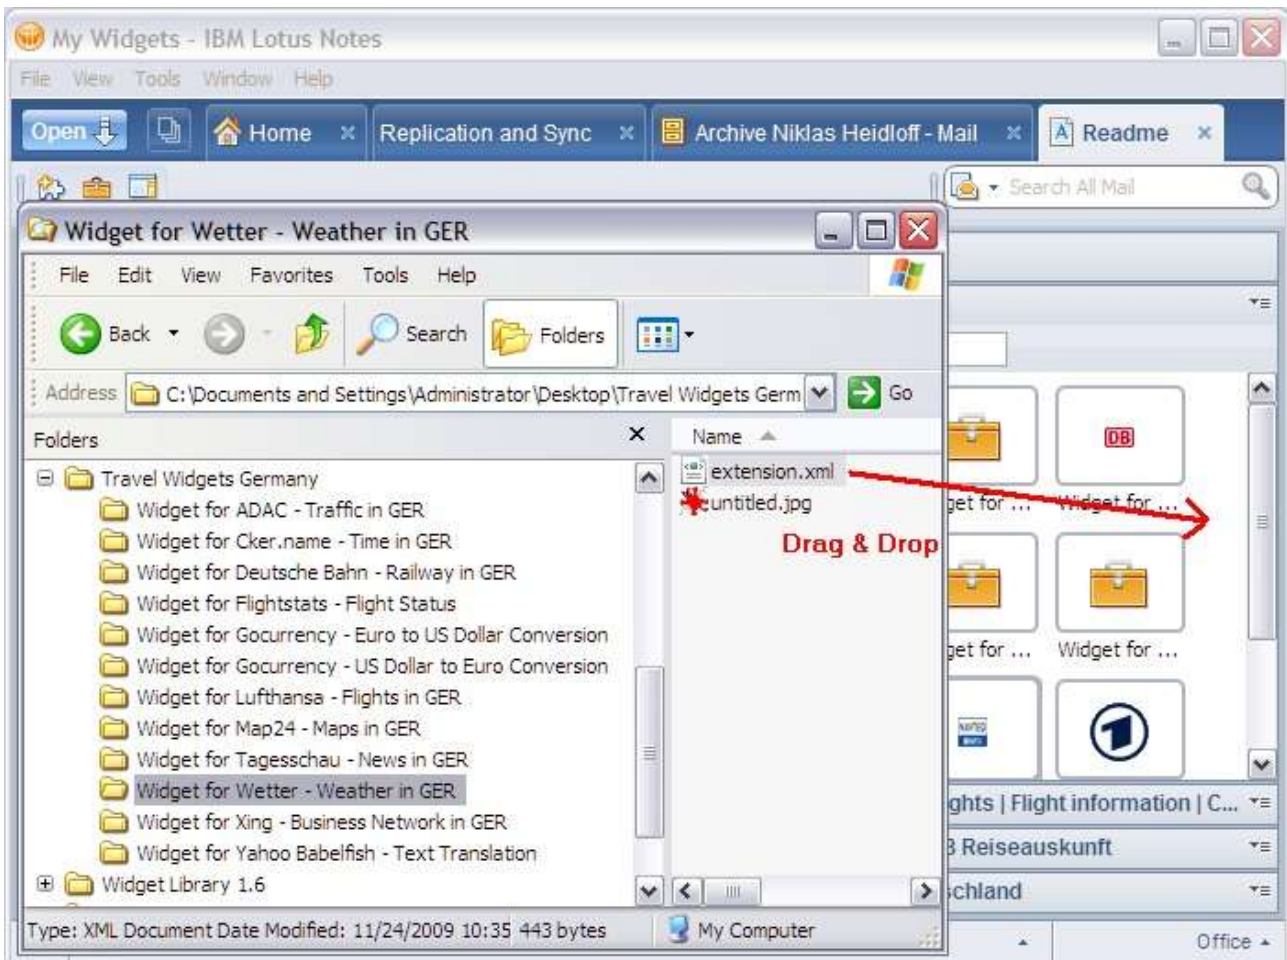

This library is made available under ALv2. See LICENSE and NOTICE file for details.

This library has been implemented by Niklas Heidloff, Brian Leonard and Andrew Davis.

Installation

Since most of the widgets in this library are country specific they have not been put in the OpenNTF catalog. So the drag and drop installation is not supported.

Instead you need to download the zip file, extract it on your local disc and then drag and drop the extension.xml files into the My Widgets sidebar panel.

To make sure that this works please ensure these three settings:

1. Widgets enabled in user preferences
2. Live text enabled in user preferences
3. Recognize all content selected in My Widgets sidebar panel

Version History

Version 1.0

Release date: 11/30/09

Includes the widgets:

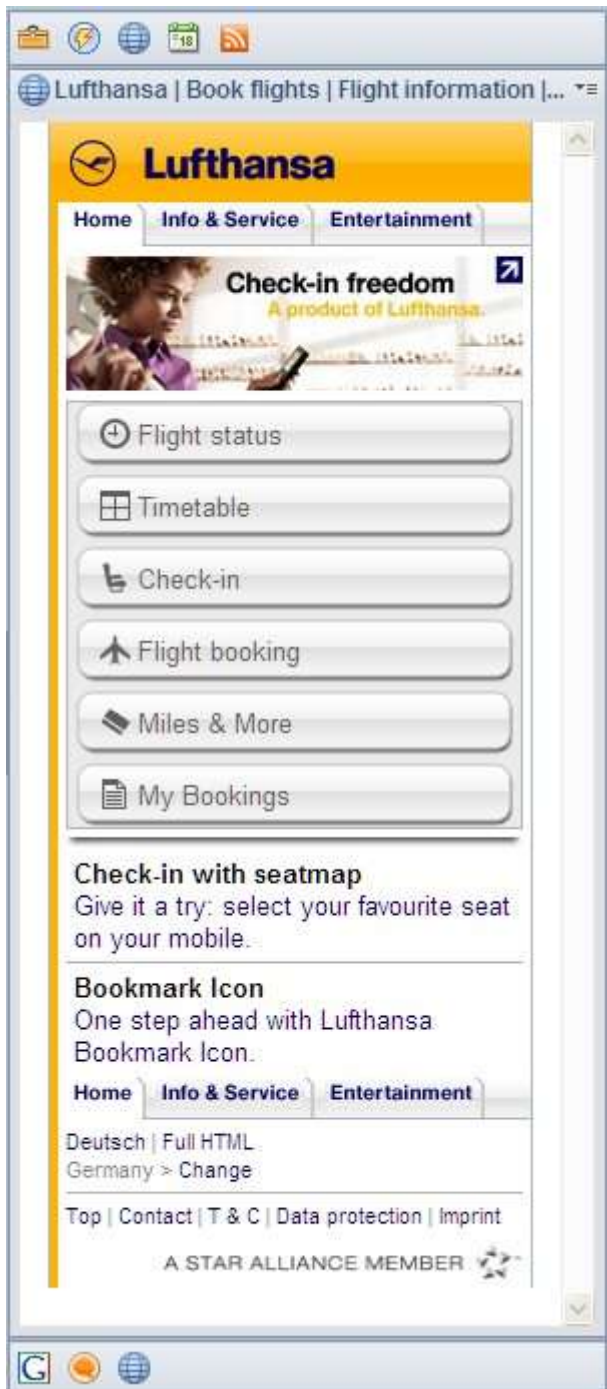

- Widget for ADAC - Traffic in GER
- Widget for Cker.name - Time in GER
- Widget for Deutsche Bahn - Railway in GER
- Widget for Flightstats - Flight Status
- Widget for Gocurrency - Euro to US Dollar Conversion
- Widget for Gocurrency - US Dollar to Euro Conversion
- Widget for Lufthansa - Flights in GER
- Widget for Map24 - Maps in GER
- Widget for Tagesschau - News in GER
- Widget for Wetter - Weather in GER
- Widget for Xing - Business Network in GER
- Widget for Yahoo Babelfish - Text Translation

✈ Flight Tracker

Lufthansa 422

Tracking is not enabled for this flight.

Flight: [\(LH\)](#) Lufthansa 422
Status: En Route ● On-time

Departure: [\(FRA\)](#) Frankfurt International Airport
Scheduled: 12:15 PM
Actual: 12:19 PM

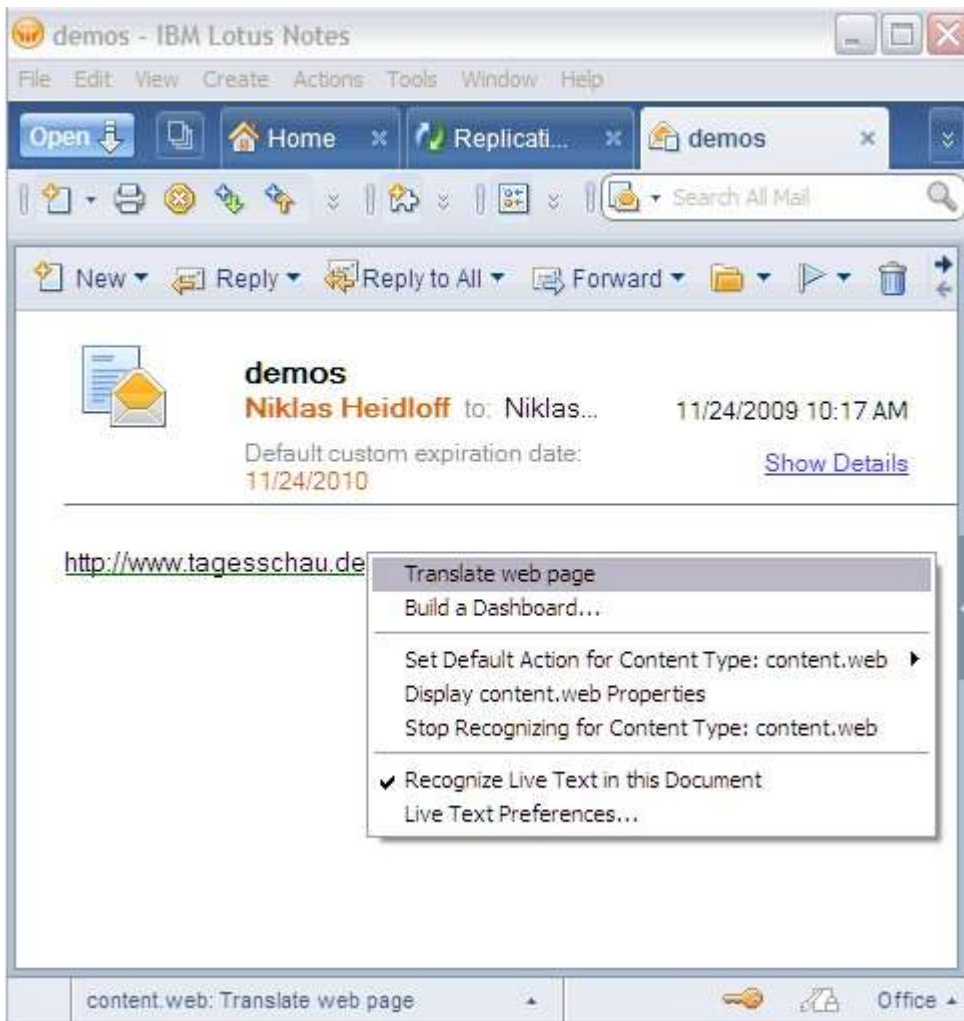

Track New Flight

Arrival: [\(BOS\)](#) Logan International Airport
Scheduled: 2:40 PM
Actual: 2:20 PM (Estimated)

Flight Tracking is available for active flights originating or arriving within the United States, Canada and Europe. Flight tracking also depends upon the cooperation of the airlines and the completeness and accuracy of the data they submit. As a result, we are not currently able to track flights from some airlines such as Lufthansa and British Midland.

[Click Here](#) to see the current status of this flight.

GM plans for OPELs

Also location Kaiserslautern is to remain

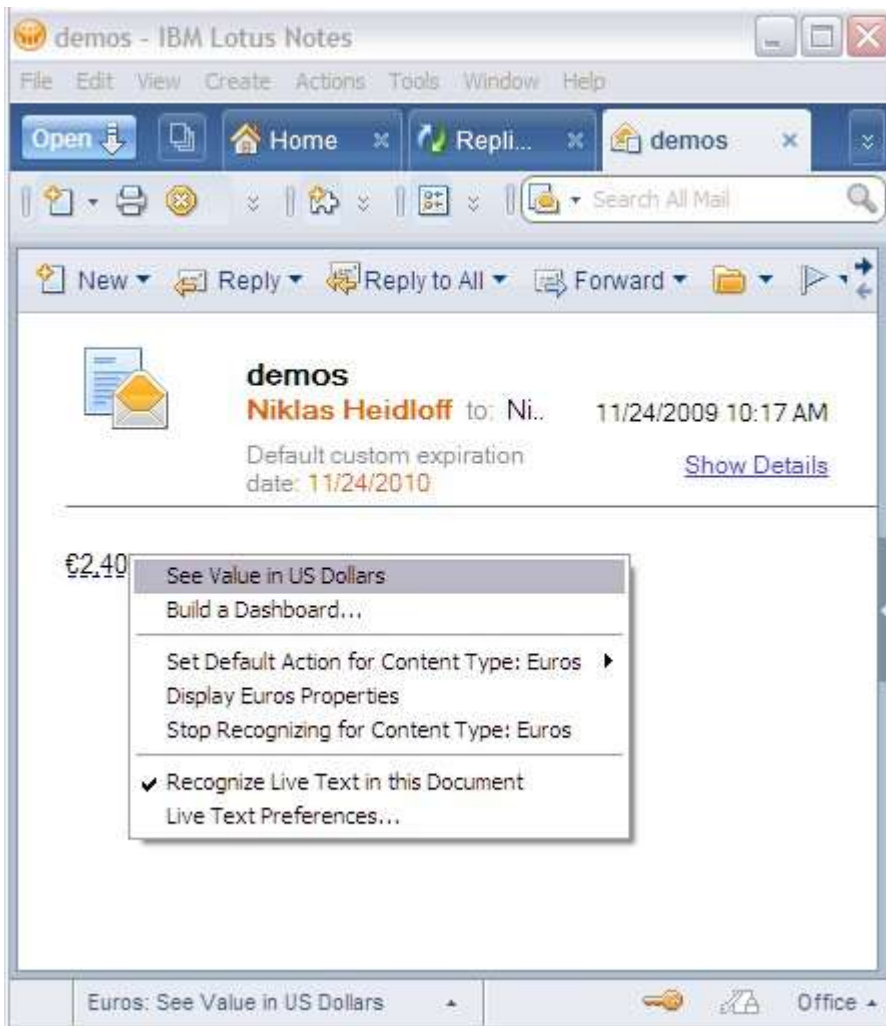

Still GM holds the OPEL scheme of reconstruction under catch. But a few important points European boss already betrayed Reilly: Not only the work in Bochum may remain, also Kaiserslautern plays a "important role". How many jobs at which location the redevelopment will cost, it did not say however. [more]

9. Widget for Map24 - Maps in GER

The screenshot displays the NAVTEQ Map24 website interface within a browser window. The browser title is "NAVTEQ Map24 - Kostenloser Routenplaner, interaktive Stadtpläne und Straßenkarten in Deutschland, Europa, Amerik...". The browser address bar shows "QuickNote" and navigation icons. The website header includes the NAVTEQ logo and navigation links for "Store" (Get Latest Map Updates), "Developers" (NAVTEQ Network for Developers), and "MyMap24: Login" (Map: static | interactive, Language: Change). A prominent red banner advertises "Vodafone 360 Das neue Vodafone 360 Samsung M1." with a "1€*" price tag. Below the banner, a navigation menu includes "Start", "MyMap24", "Products", "News", and "Help". The main content area features a "Route" section with "Search" and "Hotel Booking" options. The "Route" section includes input fields for "Frankfurt" and "Berlin", a "GO!" button, and a "Calculate route" section with a "URL to this page" field. The "Calculate route" section shows two stopovers: "A 60311 Frankfurt am Main" and "B 10117 Berlin". The main map area displays a map of Germany with a route highlighted in blue. The map includes labels for cities like Wolfsburg, Berlin, Leipzig, and Halle (Saale), and highways like A9, A38, A14, and A4. The map also shows the "ON BOARD" logo and a "50 km" scale bar. The footer includes "© 2009 NAVTEQ, Europa Technologies, Loftmyndir ehf" and "© 2009 NAVTEQ (DE) GmbH - powered by MapTP. The use of the map data is subject to the User-Terms of NAVTEQ. Privacy Policy".

10. Widget for Wetter - Weather in GER

The screenshot shows the Wetter.de website interface. At the top, there is a search bar with the text "Suche" and "Ort, PLZ oder Land". Below the search bar is a navigation menu with buttons for "Home", "Deutschland", "Europa", "Welt", "Klima", "Reisen", "Videos", and "Tools".

The main content area features a section titled "Wie ist das Wetter in:" with a search input field and a "START" button. Below this, there is a section titled "Das aktuelle Deutschlandwetter" with the time "15.00 Uhr". A map of Germany is displayed, showing weather conditions for various cities: HAMBURG, HANNOVER, BERLIN, LEIPZIG, KÖLN, FRANKFURT / M, STUTTGART, and MÜNCHEN. The map uses a color scale from yellow to green to indicate temperature or weather intensity.

On the left side, there are four news items:

- » Wetterbericht: Sturm und Regen statt Sonne
- » Video: Brücke in England nach Fluten eingestürzt
- » Verlosung: Hoch- oder Tiefdruckgebiete gewinnen!
- A small weather map thumbnail.

The browser window title is "Wetter.de: Wetter, Wettervorhersage, Wetterbericht, Biowetter, Unwetter - bei we...". The browser address bar shows "Wetter.de: Wetter, Wettervorhersage, Wetterbericht, Biowetter, Unwetter - bei wetter.de". The browser status bar at the bottom shows "Done".

11. Widget for Tagesschau - News in GER

The screenshot shows a web browser window titled "News in English | tagesschau.de - IBM Lotus Notes". The browser's address bar contains "tagesschau.de". The page header includes the date "24.11.2009" and a navigation menu with links for "ARD Home", "Nachrichten", "Sport", "Börse", "Ratgeber", "Wissen", "Kultur", "Kinder", and "ARD Intern". The main content area features the "tagesschau.de" logo and a search bar labeled "Suchbegriff". A left sidebar contains a menu with categories: "Startseite", "Inland", "Ausland", "Wirtschaft", "Regional", "Bundestagswahl", "Wahlarchiv", "Wetter", "Multimedia", "Livestream", "tagesschau 20:00 Uhr", "tagesschau24", "Letzte Sendung", "tagesschau 16:00 Uhr", "Alle Sendungen", "Weltatlas", and "Info-Services". The main content area is titled "News in English" and displays two news items. The first item, under the "Business" category, is titled "Workers breathe a sigh of relief as GM hints it will keep Opel plants" and includes a small image of a green traffic light with an Opel logo. The second item, under the "Germany" category, is titled "German foreign minister calls for return to peace talks for Israel, Palestinians" and includes a small image of German and Israeli flags.

Workers breathe a sigh of relief as GM hints it will keep Opel plants

Auto workers in western Germany were relieved after GM said two threatened Opel units there would stay afloat after all. And Angela Merkel is waiting for a "thank you" now that GM has repaid its final bridge loans. [more]

Germany

German foreign minister calls for return to peace talks for Israel, Palestinians

On the final day of his maiden trip to Israel since becoming foreign minister, Guido Westerwelle has called for a speedy resumption of talks between Israel and the Palestinians under the so-called roadmap to peace. [more]

12. Widget for Xing - Business Network in GER

The screenshot shows a web browser window titled "Search | XING - IBM Lotus Notes". The browser's address bar shows "Search | XING". The page header includes the XING logo, a search bar with the text "Search by name, company, and more", and a "Search" button. A navigation menu contains links for Home, Search, Messages, Contacts, Groups, Events, Jobs, Companies, and Best Offers. The main content area is titled "Advanced Search" and features a "Keywords" search bar with a "Search" button. Below this are radio buttons for search scope: "all of XING" (selected), "my contacts up to 2nd degree", and "my contacts only". A tip box suggests adding XING to the browser's search engines. A note indicates that white background fields are searchable and that Premium Members can use all advanced features. The search criteria are organized into three columns: "Person" (First name, Last name, Universities, Interests, Organizations), "Business" (Status, Current company, Current position, Former companies, Previous positions, Industry, Person wants, Person has), and "Location & Membership" (Zip code, City (business), State (business), Country/Region (business), Language, Member joined). Each field is a text input or a dropdown menu. "Clear fields" and "Search" buttons are located at the bottom right of the search form. The browser's status bar at the bottom shows "Done".
