The screenshot displays the GoToWebinar interface. At the top, there is a menu bar with 'File', 'View', and 'Help'. Below it, the 'Audio' pane is visible, featuring a 'Sound Check' indicator with a green bar and a question mark. Underneath, there are three radio button options: 'Computer audio' (selected), 'Phone call', and 'No audio'. A red 'MUTED' indicator is present, along with dropdown menus for 'Headset Microphone (Sennheiser SD)' and 'Headset Earphone (Sennheiser SD)'. A 'Talking:' section is also visible. The 'Questions' pane is open, showing a question: 'Q: How do I access the xyz project at OpenNTF?'. Below the question is a text input field with the placeholder text '[Enter a question for staff]' and a blue arrow pointing to it. A 'Send' button is located at the bottom right of the question pane. At the bottom of the interface, there is a 'Sample Webinar' section with the text 'Webinar ID: 510-144-123', a red dot indicating 'This session is being recorded.', and the GoToWebinar logo.
